Sir:

Applicant, by the undersigned attorney hereby submits a Response to the outstanding Official Action dated 17 August 2007. The Official Action is deficient and the undersigned attorney cannot respond to the Official Action since the Official Action was based upon “Fortin et al. 2005/0278532 reference.” Reference 2005/0278532 was pulled down from the USPTO website and this publication has inventors “Zhi Fu, et al.” and appears not to correspond to the rejection discussion in the Official Action as to the specification of the publication and the figures.

The Official Action did not list either the Fortin et al. reference or Publication No. 2005/0278532 on the PTOL-892 Form.

The undersigned attorney made calls to the Examiner at the time (apparently that Examiner no longer is at the Patent Office) and after receiving a

Notice of Abandonment, the undersigned attorney requested a Reinstatement of the Patent Application. The Petition was denied and a Petition for Revival for an Unintentionally Abandoned Application is being filed concurrent with this Response.

It is still requested by the undersigned attorney that the Official Action be reviewed by the Examiner who is assigned to this case and that a proper Official Action be sent to the undersigned attorney.

Respectfully submitted,
